

Welcome to Columbia Allergy Oakland's New Location!

With the new year comes some new and exciting changes for Columbia Allergy. We are excited to announce that the Columbia Allergy Oakland office will be moving to a new location!

The last day at the current location, 80 Grand Ave Suite 500, was on Wednesday, January 26th. *Note – we will be open for SHOT CLINIC ONLY at 80 Grand the 27th & 28th. The Oakland office will be closed 1/31 – 2/4. We will open the doors at our new location at 7677 Oakport St. Suite 105, Oakland, CA on Monday, February 7th.*

The great news is all our fantastic staff at our current Oakland location will be transitioning with you to the new office. The new office will offer the same exceptional care, treatments, and procedures as our current Oakland location. Our staff is here to help ensure a smooth transition from one Oakland office to the next. For any questions email contact@aa-clinic.com.
